The Races.

The races at the Ogden Driving Park yesterday, attracted a very large crowd, and the day's sport gave general satisfaction. The weather was all that could be desired, and the track was in splendid condition.

The success of yesterday's meet ought to encourage horsemen to get up more races before winter sets in.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at Z. C. M. I. Co's Drug Store.

A Fact to be Remembered.

Do not be deceived by misrepresentation. Ask your druggist for ALCOCK'S POROUS PLASTERS, and let no explanation or solicitation induce you to accept a substitute. ALCOCK'S PLASTERS are a purely vegetable preparation, the formula of which is known only to the manufacturers. Their valuable curative qualities are due to the employment of the highest medical and chemical skill. They act safely, promptly and effectively. Over 1,000,000 persons have been cured by ALCOCK'S POROUS PLASTERS.
